

## UW-Madison Historic Buildings and Landscapes (February 2013)

***Campus planners and project managers:***

All planned construction, maintenance, repair, or remodeling projects involving these historic buildings and adjacent landscapes MUST be reviewed for possible effects to the historic character of these properties.

For review, contact: UW-Madison Campus Planning and Landscape Architecture staff, (608) 263-3023.

Check the Campus Planning and Landscape Architecture website for the most current version of this list, and historic building/landscape maps: [www.fpm.wisc.edu/campusplanning](http://www.fpm.wisc.edu/campusplanning)

A list and map of campus archaeological sites (including burial sites) is also available in hard-copy format only. Contact the Campus Planning and Landscape Architecture department for the most current information.
